Commercial License for Projekktor II - HTML5 Player

sascha kluger,

As stated on the Projekktor project website the software is being published under the terms of GNU General Public License GPL3.

With this letter, I, Sascha Kluger, the sole author and owner of the mentioned software, provide you with the exceptional, non-exclusive license to use the product and any of its future updates at the following variance of the terms:

You DO NOT need to be able to share any modifications you make to the Projekktor source.

Yours truly,

A handwritten signature in blue ink, appearing to read 'S. Kluger'.
